2nd Thursday Lunch Series

January 11th, 2007 Noon – 1:00 p.m.
Complimentary lunch provided with RSVP

Place: The Heights (Richmond Heights Community Center)
8001 Dale Avenue
(Hwy. I-40 & Hanley Rd. South; Turn East at first light)
Bus line located nearby

**The Neuropsychological Community
Treatment Model**

*Presented by: Michael Miran, Ph.D. and Esta Miran,
ED.D*

The Mirans will discuss the treatment of schizophrenia with treatments designed for people with head injuries. Time has proven this to be an effective treatment. The treatment is designed to be individualized and can be adapted to address the needs of people with varying brain dysfunctions.

RSVP to HELPLine
