

## Families Assisting in Community Treatment and Rehabilitation

 **Washington University in St. Louis**  
GEORGE WARREN BROWN SCHOOL OF SOCIAL WORK

**Washington University's Center for Mental Health Services Research is looking for volunteers to participate in a project that explores what families do to assist their relatives who have a mental illness with their mental health treatment.**

- **The study involves voluntarily participating in a focus group**
- **To be eligible you must have a family member with a mental illness**
- **The study will require about 90 minutes of your time**

**In appreciation for your time and efforts:**

***FOOD AND REFRESHMENTS WILL BE PROVIDED  
DURING THE FOCUS GROUP***

**For more information about the study you may call Kraig Knudsen at 1-314-935-8140 or via e-mail at [kknudsen@gwbmail.wustl.edu](mailto:kknudsen@gwbmail.wustl.edu)**

**DON'T FORGET!!!!  
I WILL BE AT YOUR ORGANIZATION ON:**

**DATE:**

**TIME:**
